Old Winter Garden Road Beautification Project Phase II

In our continued efforts to “Green Up” Fifty West, in May 2019, the City of Ocoee’s Community Redevelopment Agency (CRA) completed landscaping the medians on Old Winter Garden Road between Blackwood Avenue and Hempel Avenue. This phase included replacing the dead Palms and declining plant material, adding grasses, irrigation improvements, and a fresh layer of mulch to finish up the refresh of the medians. Old Winter Garden is now refreshed from Maguire Rd. to Hempel Ave.

The CRA has more plans to beautify its redevelopment district, “Fifty West”, which is defined as the area between SR 429 and Clarke Road, and the Turnpike on the south, north to Story Road. Stay tuned for our next project announcement. If you have any questions regarding the Old Winter Garden Road Beautification Project or about Fifty West, please contact the Ocoee CRA.
