WEST**

City of Ocoee CRA to Start Old Winter Garden Road Beautification Project

In our efforts to “Green Up” Fifty West, the City of Ocoee's Community Redevelopment Agency (CRA) will start re-landscaping the medians on Old Winter Garden Road between Maguire Road and Blackwood Avenue. Work will begin the week of June 4th and is expected to wrap up by July 31st, weather permitting. The City's contractor will start in the median closest to Maguire Road and then work east towards Blackwood Avenue. The westbound lanes will remain open during construction; however, the eastbound inside lane will be closed. Construction hours are anticipated to be between 7:30 a.m. and 3:30 p.m., weekdays.

The project will include the planting of new palms, oaks, crape myrtles, shrubs, and ground cover. Irrigation will be installed and a fresh layer of mulch will finish up the refresh of the medians. Concrete will be installed in the median closest to Blackwood Avenue, where it is too narrow for plants to grow successfully.

The CRA has more plans to beautify its redevelopment district, “Fifty West”, which is defined as the area between SR 429 and Clarke Road, and the Turnpike on the south, north to Story Road. If you have any questions regarding the Old Winter Garden Road Median Landscape Project or about Fifty West, please contact the Ocoee CRA.
